

A large percentage of the WVMS fan base travels two hours or more to be a part of the ‘Speedplant Experience’. Couple this with the fact that many of the major races are multiple day events and you quickly discover that you have a huge and ambitious market to draw from, right in your back yard. Reach out and let them know what you have to offer and where you are!

A listing on this page offers an inexpensive means for you to reach out to our traveling fans.

The fee is low and to your benefit. Participation is at your discretion; the nominal listing fee is listed below. This includes your business name, address and telephone number along with a brief description of your venue. We may need to edit your listing due to space restraints, so please keep your verbiage to a minimum. As a bonus we can hyperlink your description to direct the fans to your website for more information.

We will begin the process of importing the listings by Feb. 1st.
